DATED : 06-06-2007

SUSPENSION OF CLOSURE ORDER

In exercise of the powers conferred under Air (Prevention & Control of Pollution) Act, 1981 and Environment (Protection) Act, 1986 and Rules made thereunder, after careful consideration of the stack monitoring report dated 20-04-2007 and also in consideration of the fact that the unit has obtained the electricity connection from D.V.C, the closure order issued against **M/S. RABINDRA ENTERPRISES PVT. LTD.**, located at Vill. – Inanpur, P. O. – Digha, Dist. - Purulia vide Memo No.:698-2N-21/2006(0) dated 01-06-2006 by the West Bengal Pollution Control Board is hereby withdrawn with the following conditions.

- I. That, the industry should ensure compliance of particulate emission standard for all unit operations of the sponge iron plant by efficient functioning of the pollution control system. Secondary emission from the industry should also be contained.
- II. That, the industry should shut down its manufacturing activity whenever the pollution abatement system fails to function due to whatever reason and the same should be intimated to the Board.
- III. That, the industry should undertake large-scale afforestation programme for development of the greeneries in and around the factory premises. This is to be done immediately during the rainy season in consultation with the local office of the West Bengal Forest Development Corporation Limited.
- IV. That, the industry should ensure proper disposal of dolo char and coal char in abandoned open cast mines.

In case of non-compliance of the aforementioned directions by the said unit, the State Pollution Control Board will take recourse to its earlier order without any further reference.

This order has the approval of the Competent Authority.
