MEMO NO.: 850-30/WPB-B(38)/97

DATED : 06-06-2007

To

M/s. Tee Dee Castings

26/1/2. Malakar Para Road,

KOLKATA – 700 038

Ref.: Your Letter No.TD/PCB/01/06-07 dated 07-05-2007

Reference to your above referred letter, I am directed to inform you that the Board has decided to allow you six month's time to install wet scrubber with ID fan for effective removal of carbon soot during operation of your furnace. However, during this period you will only use LDO/HSD for operating your furnace. After completion of installation of scrubber you will be at liberty to use Furnace Oil/CBFS for operation of the furnace.

This direction is issued in continuation to our earlier direction vide Memo No.3359-30/WPB-B(38)/97 dated 06/09-03-2007.

Yours faithfully,

Sd/-

(Dr. D. Chakraborty)

Chief Scientist & Head – Technical Cell

West Bengal Pollution Control Board
