DATE: 10-09-2007

: DIRECTION :

WHEREAS, **M/S. M/S. BALAJI UDYOG** (hereinafter referred as the industry) located at Kaikhali, Chiriamore, P. O. – R. Gopalpur, P. S. – Airport, Dist. – 24 Parganas (North) is engaged in manufacturing aluminium utensils.

WHEREAS, the inspection carried out by the Regional Office of **WEST BENGAL POLLUTION CONTROL BOARD** (hereinafter referred as the Board) on 14-05-2007 revealed that the unit operates a coal fired oven without any emission control system.

WHEREAS, the industry was called for a discussion in the Head Office of the Board on 10-08-2007 in response to their prayer for withdrawal of closure order.

WHEREAS, Shri Rabindranath Jaiswal, Proprietor of the industry (close to the Airport) appeared in the discussion. Considering the location of the industry he was directed to change the coal-fired oven to oil fired one as the coal fired oven and black emission from the same may not be desirable from aviation safety point of view. The proprietor of the industry agreed to the direction of the Board.

NOW THEREFORE, in exercise of the powers conferred under Air (Prevention & Control of Pollution) Act, 1981, Environment (Protection) Act, 1986 & Rules made thereunder **M/S. BALAJI UDYOG** is hereby directed as follows

1. That, the industry will have to change its coal-fired oven to oil fired one to be fitted with adequate height of chimney.
2. That, the industry will have to submit an action plan mentioning the time frame to complete such change over.
3. That, the suspension of closure order will only be considered after compliance of the Board's direction as mentioned in Sl.No.1.

In case of the noncompliance of the above directions by the industry, the Board may take further stringent regulatory action without any further reference in the matter.

This has the approval of the Competent Authority.
