DATE: 10-09-2007

DIRECTION

WHEREAS, **M/S. MOHATA UDYOG** (hereinafter referred as the industry) operates its phenol formaldehyde resin manufacturing unit at Unish Bisha, P. O. + P. S. – Ghoksadanga, District – Coochbehar.

WHEREAS, the unit was inspected by the Siliguri Regional Office of the WEST BENGAL POLLUTION CONTROL BOARD (hereinafter referred as the Board) on 24-04-2007. During inspection it was noted that the unit is operating without obtaining hazardous waste authorization and without installing the Effluent Treatment Plant to treat its liquid waste.

WHEREAS, a hearing was conducted in the Head Office of the Board on 10-08-2007 .

NOW THEREFORE, in exercise of the powers conferred under Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act, 1981 and Environment (Protection) Act, 1986 and Rules made thereunder **M/S. MOHATA UDYOG** is hereby directed as under:

1. That, six months time is allowed to the industry to install & commission the Effluent Treatment Plant to treat their liquid effluent and meet the liquid discharge standard.
2. That the industry will obtain authorization under the Hazardous Waste (Management & Handling) Rules from the Waste Management Cell of the Board at Head Office within fifteen days from the date of receipt of this order.
3. The industry will submit the compliance report after within six months to the Regional Office of the Board with a copy to the undersigned

In case of the non-compliance of the above directions by the industry within the stipulated time, the Board may have to issue necessary regulatory order without any further reference.

This has the approval of the Competent Authority.

Order
