DATE: 28-11-2008

SUSPENSION OF CLOSURE ORDER WITH RESTORATION OF ELECTRICITY

In view of the undertaking given by the industry that they will only use aluminum ingot in place of aluminum scraps for manufacturing different grade of alloys pending installation of emission control system in its process furnace and also the decision of the industry agreeing to go for coal gas fire in the furnace within one year and also inconsideration of the fact they have applied for "Consent-to-Operate, the closure order against **M/S. UNITY MERCHANDISE PVT. LTD.** located at 57D, B. T. Road, Kolkata – 700 002 vide Memo No.: is hereby withdrawn 1389-Z-II-GEN-07-08/09 dated 13-08-2008 with the following conditions:

1. That the unit is allowed six months time from the date of issuance of "Consent-to-Operate" to complete installation of adequately designed emission control system for arresting emission generated from the manufacturing process and comply with the emission standard.
2. That, the unit is allowed time up to November, 2009 to convert the oil-fired furnace to coal gas-fired one.
3. That, pending installation of emission control system for the oil-fired furnace, you are only allowed to use pure ingot for manufacturing process.
4. That, no metallic scrap can be used for the manufacturing process.
5. That, conditional "Consent-to-Operate" is granted for a period up to November, 2009.
- 6. The electricity connection of the industry is also directed to be restored immediately.**

The General Manager (C&M), CESC LTD., is requested to take action to restore the electricity connection of the industry immediately.

This order is issued in exercise of the powers conferred under Air (Prevention & Control of Pollution) Act, 1981 and Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.

By Order
