### **EXTENSION OF SUSPENSION OF CLOSURE ORDER**

In due consideration of the submission by the industry through its letter dated 29-11-2008 intimating the Board about completion of commissioning of pollution abatement system, the suspension of closure including restoration of electricity order vide Memo No.1439-347-WPB(HRO)K/01 dated 19-08-2008 of **M/S. KANAK SOLVO PVT. LTD.**, located at P. O. – Medinipur, P. S. – Kotwali, Dist. – Paschim Medinipur is hereby extended up to 31-03-2009. During this period the efficacy of the installed pollution abatement system will be monitored for taking proper decision regarding total withdrawal of closure order. This extension of suspension of closure order is issued under following conditions.

1. That, the unit will have to comply with the particulate emission standard through efficient functioning of the emission control system. Under no circumstance, the unit can operate the boiler keeping the emission control system idle
2. The effluent treatment plant should be operated in a manner to comply with the liquid discharge standard.

**The Secretary, WBSEB, is requested not to disconnect the electricity connection of the industry till further order from the Board.**

This order is issued in exercise of the power conferred under Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act, 1981 and Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.
