Sub.: Public Hearing held on 12-12-2008

Sir,

Enclosed please find the minutes of the public hearing held in relation to poor performance of the coal-fired boiler as also mis-management of coal handling and ash handling system causing problem related to the air pollution in the adjoining municipal areas. In spite of giving opportunity to upgrade/modify the emission control system for the boilers, you have failed to comply with the emission standard for boilers and improve overall environmental management of coal and fly ash.

As decided in the public hearing held on 12-12-2008 you are now granted time up to 31st January, 2009 for improving the performance of the emission control system for the coal-fired boiler as also improve the environmental management of coal and fly ash. You are also put under a Bank Guarantee (proforma enclosed) of Rs.2.00 Lakhs (Rupees Two Lakhs only) to ensure compliance of the direction above. The Bank Guarantee should be valid for twelve months and to be submitted within fifteen days from the date of issuance of this direction in favour of the WEST BENGAL POLLUTION CONTROL BOARD.

If you fail to comply with the above directions, the Board will be compelled to take serious regulatory action which may include denying permission to operate the boiler and coal handling system.

Yours faithfully,

Sd/-
