MEMO NO.: 1677 -WBPCB-I/HEAR & ORS./2004/09 DATE: 09-07-2009

RESTORATION OF ELECTRICITY

M/S. SATAR DYER, located at 85, Park Street, Nawab Mansion, Kolkata – 700 016 used to operate a dyeing & bleaching unit in the rooftop of Nawab Mansion. The unit was closed by the Board through a regulatory order vide Memo No.786-WPB-I/HEAR & ORS-2004/2009 dated 30-03-2009 as there was a public complaint against the unit including that of landlord. The unit was also operating without installing any pollution abatement system and without obtaining any permission from the Board. The order for disconnection of electricity power to the unit was also issued by the Board along with the closure order.

Now, that the industry has dismantled all the utilities required for the dyeing & bleaching activity as confirmed through inspection carried out by the Board Officials on 15-05-2009 and given an undertaking on non-judicial stamp paper stating that they will not start the same activity again, the power supply which was disconnected along with the closure is ordered to be restored immediately.

The General Manager – Operations (C & M), CESC LTD. is requested to restore the electricity connection in favour of Shri Arun Kumar Baid, 85, Park Street, Kolkata – 700 016 immediately.

By Order,
