SUSPENSION OF CLOSURE ORDER WITH RESTORATION OF ELECTRICITY

In pursuance of the order of the Hon'ble Pollution Control Appellate Authority (W. B.), dated 07-07-2009 in connection with Appeal No.A-09/2009 M/s. Rashmi Cement Limited (Steel & Power Division), located at Jitusol, Jhargram, Dist. – Paschim Medinipore, approached before the West Bengal Pollution Control Board with action taken report for controlling pollution generated from its manufacturing process on 13-07-2009 and thereafter, inspection was conducted by the State Board Officials on 18-07-2009.

That, during inspection, it is observed that the manufacturing process of the said unit has been suspended and therefore, inspecting officers of the State Board failed to judge the efficacy of the pollution control system.

That, to judge the efficacy of the pollution control system installed by the said unit i.e. M/s. Rashmi Cement (Steel & Power Division) is now hereby allowed to operate maintaining the environmental norms and during inspection, the said unit should give necessary assistance to the State Board Officials.

That, the other executing authorities i.e. WBSEB should not disconnect the electricity of the said unit at this stage and similarly police authority should not impose the closure order as the said unit need to be operated to the judge the efficacy of the pollution control system.

The unit will be under continuous monitoring regime to assess the performance of the pollution abatement system.

This order has been issued as per the approval of the Competent Authority and in pursuance of the order of the Pollution Control Appellate Authority (W. B.) to allow the said unit to operate for monitoring purpose.

By Order,
