To

Shri DK Sharma

The Vice President,

M/s. Shree Renuka Sugars Limited

City Centre, Post : Debhog, Haldia

DIST. – PURBA MEDINIPUR

Dear Sir,

The Board allows M/s. Shree Renuka Sugars Limited to resume its operation in a phased manner with the following conditions:

1. Remediation of the water bodies and adjoining area contaminated from the scum and discharge by the sugar mill will continue for further improvement of the environmental conditions of the adjoining areas.
2. The scum generated to be disposed off daily to the municipal dumping ground at Haldia and not within the factory premises for filling low lying areas. No accumulation of the same at the site or its surroundings is permitted.
3. Abundant caution to be taken to avoid any spillage of raw sugar and subsequent carryover of the same outside the factory premises through storm water.
4. The industry will complete the on-going construction of the dedicated pipe line for carrying the adequately treated effluent from the sugar mill to Green Belt Canal.

In case of any further occurrence of the environmental catastrophe caused by the discharge of the unit will attract strict regulatory order from the Board without any further reference.

This direction is issued in exercise of the powers conferred under the Water (Prevention and Control of Pollution) Act, 1974, Air (Prevention and Control of Pollution) Act, 1981 and Environment (Protection) Act, 1986 and Rules made thereunder.

Yours faithfully,

Sd/-
