SUSPENSION OF CLOSURE ORDER WITH RESTORATION OF ELECTRICITY

In due consideration of the appeal made by the industry through its letter dated 12-11-2009 for suspension of closure order and restoration of electricity and subsequent report of inspection dated 12-11-2009 the closure order issued against **M/S. SONALI CHEMICALS**, located at Purushatambati, Sugandha, Delhi Road, Dist. – Hooghly is herewith suspended for three months i.e. up to 28th February, 2010 with the following conditions. The electricity connection is also ordered to be restored immediately.

1. Accumulation of acidic effluent within the factory premises or its immediate surroundings will not be permitted.
2. Generation of sludge is not permitted.
3. Emission control system for the reaction vats should always be operated efficiently during its manufacturing operation.
4. The additional reaction vat which is set up without obtaining permission from the Board should be demolished immediately.

In case of noncompliance of the above directions, the Board will take recourse to its earlier order without any further reference in the matter.

This direction is issued in exercise of the powers conferred under Water (Prevention & Control of Pollution), Air (Prevention & Control of Pollution) Act, 1981, Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.

By Order,
