WHEREAS, M/s. Annapurna Dyeing (hereinafter referred to as the industry) located at 3rd Lane, Bodai Panchayat Road, P.O. Jugberia, Kolkata – 700 110 is engaged in dyeing & bleaching of hosiery fabrics of 25 MT/month.

AND WHEREAS, the industry has obtained Consent to Establish from the West Bengal Pollution Control Board (hereinafter referred to as the Board) on 29/08/2011, but started operation without obtaining Consent to Operate.

AND WHEREAS, the industry was inspected by the Board official on 03/05/2016. During inspection the industry was in operation. The industry has not installed effluent treatment plant (ETP) as per NOC conditions and effluent was being directly discharged outside the factory premises. Waste water sample collected from the final outlet of the industry failed to comply with effluent discharge norms in respect of COD-259.88 mg/l (standard 250 mg/l) and BOD-42.25 mg/l (standard 30 mg/l).

AND WHEREAS, the industry obtained NOC for F.O. fired boiler of capacity 0.8TPH, but installed a coal fired boiler of capacity 0.8TPH. Boiler is attached with dust collector as APC device.

AND WHEREAS, the industry was called for a hearing at the Head office of the Board on 12/07/2016 for the above mentioned non-compliances as was observed during inspection.

AND WHEREAS, the proprietor of the industry appearing in the hearing agreed with the above mentioned observations of the Board. He submitted that they would apply online for renewal of Consent to Operate within seven days and would install effluent treatment plant within September 2016. Subsequently the industry has submitted online Consent to Operate application on 14/07/2016.

NOW THEREFORE, considering the submission of the industry, M/s. Annapurna Dyeing located at 3rd Lane, Bodai Panchayat Road, P.O. Jugberia, Kolkata – 700 110 is hereby directed not to operate till completion of installation of the pollution control systems and without obtaining Consent to Operate from the Board. The industry shall not operate its coal fired boiler without obtaining necessary permission from the Board.

The Environmental Engineer, Barrackpore Regional Office of the Board will keep a strict vigil on the industry and in case of failure in complying with the Board’s direction, the Board will initiate strict regulatory action like closure with disconnection of electricity.

This direction is issued in exercise of the powers conferred under the provision of Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.

By Order,

Sd/-
Chief Engineer
Operation & Execution Cell
West Bengal Pollution Control Board
