WHEREAS, M/s. Brindaban Prints (hereinafter referred to as the industry) located at Vill.-Sahapur, P.O.- Parbatpur, P.S.- Jamalpur, Dist.- Purba Bardhaman, Pin – 713 408 is engaged in textile printing and dyeing/bleaching.

AND WHEREAS, the industry was inspected by the official of the West Bengal Pollution Control Board (hereinafter referred to as the Board) on 25/08/2017. During inspection the industry was found in operation. The industry has a wood fired boiler (less than 2tph steam generating capacity) which is connected to a stack of height 10m from G.L. No porthole, permanent ladder and platform is provided with the stack. During inspection the boiler was not in operation.

AND WHEREAS, during inspection the effluent treatment plant (ETP) of the industry was found in defunct condition and process effluent was being discharged directly to outside drain without any treatment. Effluent sample collected during inspection failed to meet the effluent discharge standard as shown below:

AND WHEREAS, the Consent to Operate of the industry is valid upto 31/10/2018.

AND WHEREAS, the industry was called for a technical hearing on 07/11/2017 at the Head Office of the Board for violation of environmental norms as recorded above.

AND WHEREAS, the proprietor of the industry appeared in the hearing and agreed with the above mentioned observations. He stated that the ETP was not operating during inspection as maintenance work was in progress and presently it is functioning properly after completing necessary rectification work. He submitted effluent analysis report conducted by the recognized laboratory of the Board which shows compliance with the prescribed standard. He mentioned that they would provide porthole, permanent ladder and platform with the stack of the boiler and also raise the stack height within three months.

NOW THEREFORE, considering the submission of the industry, M/s. Brindaban Prints located at Vill.- Sahapur, P.O.- Parbatpur, P.S.- Jamalpur, Dist.- Purba Bardhaman, Pin – 713 408 is hereby directed as follows:

i. That, the industry shall install porthole, permanent ladder, platform for the stack of the boiler and raise the height of the stack upto 15m from G.L. within 31st January, 2018.

ii. That, the industry shall always operate the ETP properly so as to comply with the prescribed standards.
iii. **That**, the industry shall submit a **Bank Guarantee** (proforma enclosed) of **Rs.75,000/-** (Rupees seventy five thousand) only, valid for twelve [12] months within fifteen [15] days from the date of issuance of this order in favour of the **WEST BENGAL POLLUTION CONTROL BOARD (Corporation Bank IFSC Code CORP 000663)** as an assurance to comply with the above directions.

The Environmental Engineer, Durgapur Regional Office is requested to conduct an inspection of the industry after January, 2018 to verify the status of compliance. In case of any further non-compliance, Board will initiate strict regulatory action like closure with disconnection of electricity of the industry.

This direction is issued in exercise of the powers conferred under the provision of Section 33A of Water (Prevention & Control of Pollution) Act, 1974, Section 31A of Air (Prevention & Control of Pollution) Act 1981 and the Environment (Protection) Act, 1986.

This order has the approval of the Competent Authority.

By Order,

_Sd/-_
Sr. Environmental Engineer & In-Charge
Operation & Execution Cell
West Bengal Pollution Control Board
