WHEREAS, M/s. Elite Enterprise (hereinafter referred to as the industry) located at Vill.-Madanpur, Krishnapur, P.O.- Khamarpara, P.S.- Barasat, Dist.- North 24 Parganas, Pin – 700 128 is engaged in dyeing & bleaching of hosiery fabrics with a production capacity of 3 Ton/month.

AND WHEREAS, the industry had obtained Consent to Establish from the West Bengal Pollution Control Board (hereinafter referred to as the Board) on 07/04/2011, but has not submitted application for Consent to Operate to the Board.

AND WHEREAS, the industry was inspected by the Board officials on 02/06/2015. During inspection the industry was found in operation. The industry has obtained Consent to Establish for a HSD fired boiler of capacity 1 TPH, but has installed a wood fired boiler of capacity 550 kg./hr. which is attached to a water scrubber and a stack of height 15m from G.L. The unit has not installed effluent treatment plant and its untreated effluent was being directly discharged to a canal.

AND WHEREAS, the industry was called for a hearing at the Head office of the Board on 21/07/2015 for the non-compliance of environmental norms as mentioned above.

AND WHEREAS, The partners of the industry appearing in the hearing agreed with the above mentioned observations of the Board. They submitted that the construction work of effluent treatment plant is under progress and it is expected to be completed within one month. They mentioned that they have submitted online application for Consent to Operate and would also submit Consent to Establish application for fuel change of the boiler. The industry representatives also submitted that they would not operate the plant before completion of the ETP and without obtaining Consent to Operate from the Board. The industry has submitted a stamp paper undertaking in this regard on 31/07/2015.

NOW, THEREFORE, considering the non-compliance of environmental norms on the part of the industry, M/s. Elite Enterprise located at Vill.- Madanpur, Krishnapur, P.O.- Khamarpara, P.S.- Barasat, Dist.- North 24 Parganas, Pin – 700128 is hereby directed not to operate the plant without obtaining Consent to Operate from the Board.

The industry is further directed to immediately submit application for Consent to Establish for change of fuel of the boiler.

The industry will approach the concerned regional office of the Board for necessary permission for operation of the plant only after erection of the effluent treatment plant.
The Environmental Engineer, Barrackpore Regional Office of the Board will keep strict vigil on the industry. If any violation of the Board’s direction is again observed, the Board will be at liberty to issue order for closure with electricity disconnection without further notice.

This direction is issued in exercise of the powers conferred under the provision of Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.
