Memo No. 140-2A/Z-II/R/173/96-97  
Date: 13/09/2019

DIRECTION

WHEREAS, M/s. Goodwill Processing House located at 12/1, Canal East Road, P.O.- Ultaadanga, P.S.- Manicktala, Kolkata – 700 067 (herein after shall be referred to as the industry) is engaged in dyeing and bleaching of fabrics having 1 no. LDO fired boiler of capacity 1.5 TPH. The boiler is provided with a stack of height 15m from G.L.

AND WHEREAS, the official of the West Bengal Pollution Control Board (herein after shall be referred to as the State Board) was inspected by the State Board official on 27/05/2019. During inspection the dyeing & bleaching of fabrics was going on. The ETP of the unit was found not functioning properly during inspection. Unit had only lifted waste water from collection tank to chemical dosing tank. However, there was no chemical dosing and no chemical was stored nearby. Subsequent treatment stage of sand-gravel filter bed contained fresh packing of sand-gravel. Finally, treated waste water collection sump was filled up with fresh water. No waste water sample was collected from the outlet of the ETP as treated waste water collection sump was filled up with fresh water. Housekeeping of the unit was very poor. There was no lighting arrangement and no staircases to observe treatment stages of ETP. Similar observation was noticed during previous inspection on 26/11/2018. Walkway to move towards ETP was blocked with storing different chemicals. Consent to Operate of the unit is valid up to 31/07/2021. Authorization for Hazardous waste has expired on 28/02/2016.

AND WHEREAS, the industry was called for a hearing on 26.07.2019 for non-compliance of environmental norms as observed during inspection by the Board official.

AND WHEREAS, the representative of the industry appeared in the hearing and agreed with the above mentioned observation. He submitted that their effluent treatment plant is fully functional and they would obtain Hazardous Waste Authorization at the earliest.

NOW THEREFORE, considering the above, M/s. Goodwill Processing House located at 12/1, Canal East Road, P.O.- Ultaadanga, P.S.- Manicktala, Kolkata – 700 067 is hereby directed as follows:

(i) The industry shall always operate with efficient functioning of the pollution control system so as to comply with environmental norms.
(ii) Under any circumstances, the industry shall not discharge its untreated waste water directly outside the unit premises.
(iii) The industry shall make lighting arrangement and stair to observe the treatment stages of effluent treatment plant.
(iv) The industry shall improve housekeeping immediately.
(v) The industry shall immediately obtain Hazardous Waste Authorisation from the Board.
(vi) That, the industry shall submit an EC Environmental Compensation) of Rs. 50,000/- (Rupees fifty thousand) only, by Demand Draft in favour of WEST BENGAL POLLUTION CONTROL BOARD payable at Kolkata for non-compliance of Environmental norms.
(vii) The industry shall execute a Bank Guarantee (proforma enclosed) of Rs. 2,00,000/- (Rupees two lakhs) only, valid for twelve (12) months within fifteen [15] days from the date of issuance of this direction in favour of the WEST BENGAL POLLUTION CONTROL BOARD (Corporation Bank IFSC Code CORP 0000663) as an assurance for ensuring compliance of the environmental norms.
The Environmental Engineer, Salt Lake Regional Office is requested to keep a strict vigil on the industry. If the industry is again found to be non-complying, the State Board will take strict regulatory action like forfeiture of BG, closure with disconnection of electricity of the industry.

This direction is issued in exercise of the powers conferred under the provision of Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.

By Order,

Sd/-
Chief Engineer
