WHEREAS, M/s. Jay Maa Laxmi Enterprise (hereinafter referred to as the industry) located at Vill – Talbanda, P.O. Jugberia, Kolkata – 700110 is engaged in dyeing & bleaching of hosiery fabrics of 30MT/month.

AND WHEREAS, the industry has obtained Consent to Establish from the West Bengal Pollution Control Board (hereinafter referred to as the Board) on 21/02/2012, but started operation without obtaining Consent to Operate.

AND WHEREAS, the industry was inspected by the Board official on 03/05/2016. During inspection the industry was in operation. The industry has not installed ETP as per NOC conditions and effluent was being directly discharged outside the factory premises. Waste water sample collected from the final outlet of the industry failed to comply with effluent discharge norms in respect of COD-295.89 mg/l (standard 250 mg/l) and BOD-59 mg/l (standard 30 mg/l).

AND WHEREAS, the industry obtained NOC for HSD fired boiler of capacity 1TPH but installed a wood fired boiler of capacity 0.5TPH. Boiler is not attached with any APC device.

AND WHEREAS, the industry has submitted online Consent to Establish (NOC) application on 08/07/2016 for change of fuel of the boiler.

AND WHEREAS, the industry was called for a hearing at the Head office of the Board on 12/07/2016 for the above mentioned non-compliances as was observed during inspection.

AND WHEREAS, the proprietor of the industry appearing in the hearing agreed with the above mentioned observations of the Board. He submitted that they would install effluent treatment plant within August 2016.

NOW THEREFORE, considering the above, M/s. Jay Maa Laxmi Enterprise located at Vill – Talbanda, P.O. Jugberia, Kolkata – 700110 is hereby directed not to operate the plant till installation of the pollution control systems and without obtaining Consent to Operate from the Board. The industry shall not operate its wood fired boiler without obtaining necessary permission from the Board.

The Environmental Engineer, Barrackpore Regional Office of the Board will keep a strict vigil on the industry and in case of failure in complying with the Board’s direction, the Board will initiate strict regulatory action like closure with disconnection of electricity.

This direction is issued in exercise of the powers conferred under the provision of Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.

By Order,

Sd/-
Chief Engineer
Operation & Execution Cell
West Bengal Pollution Control Board
