AND WHEREAS, the industry was inspected by the official of the West Bengal Pollution Control Board (hereinafter referred to as the Board) on 03/05/2016. During inspection the industry was found in operation. The industry has installed winch and soft flow machines and 2 nos. coal fired boilers. Effluent treatment plant was found under construction. The process effluent was being directly discharged outside the factory premises. During inspection waste water sample was collected from the final outlet of the industry and the analysis report shows non-compliance (TSS-352.0 mg/l, COD-330.73 mg/l & BOD-145.0 mg/l).

AND WHEREAS, the industry does not possess Consent to Establish and Consent to Operate of the Board.

AND WHEREAS, the industry was called for a hearing at the Head office of the Board on 12/07/2016 for the above mentioned non-compliances as was observed during inspection.

AND WHEREAS, the proprietor of the industry appearing in the hearing agreed with the above mentioned observations of the Board. He submitted that they would apply online for Consent to Establish/Consent to Operate for dyeing activity and would complete installation of effluent treatment plant within August 2016. He informed that they have applied for land conversion certificate. The NOC issued by DIC, North 24 Parganas as shown by the industry representative during hearing was for hosiery than manufacturing only. Subsequently, the industry has submitted online Consent to Establish (NOC) application on 15/07/2016 for dyeing/bleaching activity.

NOW THEREFORE, considering the above, M/s. K. B. Processing located at 3rd Lane, Bodai Panchayat Road, P.O. Jugberia, Kolkata – 700 110 is hereby directed not to operate the plant till installation of the pollution control systems and without obtaining Consent to Establish and Consent to Operate from the Board.

The Environmental Engineer, Barrackpore Regional Office of the Board will keep a strict vigil on the industry and in case of failure in complying with the Board’s direction, the Board will initiate strict regulatory action like closure with disconnection of electricity

This direction is issued in exercise of the powers conferred under the provision of Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.
