Memo No. 298-30/WPB-B(156)/98

Date: 21/11/2017

DIRECTION

WHEREAS, M/s. Mayur Processors Pvt. Ltd., (hereinafter referred to as the industry) located at 23, Monmohan Banerjee Road, P.O.- Sahapur, P.S. Behala, Dist.- South 24 Pgs. Pin-700 038 is a dyeing & bleaching industry.

AND WHEREAS, the industry was inspected by the official of the West Bengal Pollution Control Board (hereinafter referred to as the Board) on 19/07/2017. During inspection the industry was found in operation. The industry has 9 nos. washing machines and 3 nos. drying machines. The industry has a 600 kg./hr. oil fired boiler which is connected to a stack of height about 15m from G.L.

AND WHEREAS, the industry has an effluent treatment plant (ETP) comprising of equalization chamber, chemical dosing chambers in 5 stages (the supernatant liquid from last stage is discharged to KMC sewer) and sludge collection vat. Effluent sample collected during inspection failed to meet the effluent discharge standard. Effluent analysis report of sample collected during inspection on 22/02/2017 also failed to meet the effluent discharge standard. The results are tabulated below:

AND WHEREAS, a show cause notice was issued to the industry on 12/05/2017 for failing to comply with the effluent discharge standard. The industry replied to the show cause notice on 05/07/2017 mentioning that they have upgraded the ETP and it is functioning properly. But the analysis report of the sample collected on 19/07/2017 reveals gross failure. They also mentioned that they have decided to shift the factory from the existing premises to Chatta Kalikapur Gram Panchayet, P.O.- Chatta Kalikapur, P.S.- Maheshtala, Dist.- South 24 Pgs. and applied for Consent to Establish for the same.

AND WHEREAS, last Consent to Operate of the industry expired on 31/01/2016 (fees valid upto 31/03/2018).

AND WHEREAS, the industry was called for a technical hearing on 07/11/2017 at the Head Office of the Board for violation of environmental norms as recorded above.
AND WHEREAS, the Manager of the industry appeared in the hearing and agreed with the above mentioned observations. He submitted that they would shift the factory from the existing premises to Chatta Kalikapur Gram Panchayet, P.O.- Chatta Kalikapur, P.S.- Maheshtala, Dist.-South 24 Pgs. within February, 2018. He also submitted that they have stopped the dyeing & bleaching activity at the present location, only washing of garments is being carried out. He committed that process effluent generated from the garment washing activity will be discharged after proper treatment in the ETP.

NOW THEREFORE, considering the submission of the industry, M/s. Mayur Processors Pvt. Ltd., located at 23, Monmohan Banerjee Road, P.O.- Sahapur, P.S. Behala, Dist.- South 24 Pgs. Pin-700 038  is hereby directed as follows:

1. **That**, the industry shall shift its activities from the present location to the proposed site at Chatta Kalikapur Gram Panchayet, P.O.- Chatta Kalikapur, P.S.- Maheshtala, Dist.-South 24 Pgs. within 28th February, 2018. They shall obtain Consent to Establish from the Board for such shifting.

2. **That**, the industry shall not continue to run its manufacturing activity at the existing location beyond 28th February, 2018 without prior permission of the Board.

3. **That**, the industry shall not carry out any dyeing & bleaching activity at the present location.

4. **That**, under any circumstances, the industry shall not discharge any untreated effluent outside the factory premises.

The Environmental Engineer, Alipore regional office of the Board is requested to keep strict vigil on the industry. In case of any further non-compliance of environmental norms as well as Board’s direction, the Board will take strict regulatory action like closure with disconnection of electricity without any further reference.

This direction is issued in exercise of the powers conferred under the provision of Section 33A of Water (Prevention & Control of Pollution) Act, 1974, Section 31A of Air (Prevention & Control of Pollution) Act 1981 and the Environment (Protection) Act, 1986.

This order has the approval of the Competent Authority.

By Order,

*Sdl/-
Sr. Environmental Engineer & In-Charge Operation & Execution Cell
