direction

WHEREAS, M/s. Paharpur Asansol Properties Pvt. Ltd. (hereinafter referred to as the unit) located at Genexx Exotika, Kumarpur, P.O.- Asansol, P.S.- Asansol (South), Dist.- Burdwan, Pin-713304 is a residential cum commercial complex with total built up area of 46,833.16 m².

AND WHEREAS, the West Bengal Pollution Control Board (hereinafter referred to as the Board) received a public complaint against the unit over telephone for spreading of bad smell from the STP in the surrounding locality. The unit was inspected by the Board official on 19/03/2018. As reported by the unit representative, 150 flat owners are presently residing in the said complex. The unit has a STP consisting of holding tank, oxidation ditch, chlorine dosing and storing tank. The treated water is finally discharged to municipal drain. As reported by the unit representative, night soil is also sent to STP along with waste water. At the time of oxidation ditching of waste water (with night soil) it spreads very bad smell. To remove bad smell, the unit has installed a system consisting of suction hood, FD fan, chamber-1, chamber-2 and a stack. Chamber-1 contains NaOCl solution and Chamber-2 contains NaOH solution. The sucked emission is passed through these two solutions and finally discharged through the stack. The entire STP is covered with fiber sheet in all the sides. During inspection on 19/03/2018 the STP was not in operation and foul smell was felt.

AND WHEREAS, the CFO of the unit is valid upto 30/11/2021.

AND WHEREAS, the unit was called for a hearing on 16/05/2018.

AND WHEREAS, the representative of the unit appeared in the hearing and submitted that presently the STP is operational. It has been submitted by the unit that the entire project is divided in two phases and they have obtained EC and NOC for the 1st phase only, construction of 2nd phase has not yet started.

NOW THEREFORE, considering the submission of the unit, M/s. Paharpur Asansol Properties Pvt. Ltd. located at Genexx Exotika, Kumarpur, P.O.- Asansol, P.S.- Asansol (South), Dist.- Burdwan, Pin-713 304 is hereby directed not to carry out any construction activity for the 2nd phase of the project without obtaining Environmental Clearance and NOC. They should always operate the STP properly.

The Environmental Engineer Asansol Regional Office is requested to conduct a fresh inspection of the unit alongwith effluent sampling to verify the status of compliance. If the unit is again found to be non-complying, the Board may initiate necessary legal action against the unit.

This direction is issued in exercise of the powers conferred under the provision of Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 after being approved by the Competent Authority.

By Order,
