SUSPENSION OF CLOSURE ORDER WITH RESTORATION OF ELECTRICITY

In due consideration of the appeal submitted by the industry through letters dated 16/11/2018 & 19/11/2018 for suspension of closure order with restoration of electricity and the report of inspection conducted by the official of the WEST BENGAL POLLUTION CONTROL BOARD (hereinafter referred to as the Board) on 20/11/2018 which states that the industry has almost completed the construction work for upgradation of effluent treatment plant to comply with the permissible standard of effluent discharge and has also taken steps for providing air pollution control system for its coal crushing area, the Board is hereby pleased to suspend the order for closure with disconnection of electricity against M/s. S.R. International Paper Mills Pvt. Ltd. (hereinafter referred to as the industry) located at Bhatpukur, Dariwala, P.O.- Kampa, P.S.- Bizpur, Dist.- North 24 Parganas, Pin-743 193 issued vide Memo No. 249-NC/15/WPB/BR/1107/10 dated 26/09/2018 to judge the efficacy of the pollution abatement systems of the industry.

The industry shall comply with the following conditions:

1. That, the industry must complete the commissioning of newly constructed effluent treatment plant by 31/12/2018. During this period, the industry must operate with 50% of its production capacity to facilitate supply of process water to ETP for commissioning.

2. That, the industry must complete all air pollution control system within time frame.

3. That, the industry shall initiate action for complying with the Charter for water recycling and pollution prevention in pulp and paper industry as per the direction of CPCB.

4. That, the industry shall operate with valid Consent to Operate of the Board.

The electricity connection of the industry is ordered to be restored with immediate effect.

The Director (HR), WBSEDCL, Bidyut Bhavan, Salt Lake City, Kolkata-700 091 is requested to take necessary steps for restoration of electricity connection of the above mentioned industry immediately.

The Sr. Environmental Engineer, Barrackpore Regional Office is requested to inspect the industry after 31/12/2018 to see the compliance of the above mentioned conditions for commissioning of effluent treatment plant and air pollution control system. If the industry is again found to operate violating the environmental norms and the direction issued by the Board, the Board will be at liberty to take strict regulatory action against the industry.

This direction is issued in exercise of the powers conferred under the provison of the section 33A of Water (Prevention & Control of Pollution) Act, 1974, section 31A of Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 and Rules made thereunder.

This has the approval of the Competent Authority.

By Order,

Sd/-
