Memo No. 139-NC/15/WPB/BR/1333/13  

**DIRECTION**

**WHEREAS,** M/s. Sadguru Processors Pvt. Ltd. (hereinafter referred to as the industry) located at Vill.- Madanpur, Krishnapur, P.O.- Khamarpara, P.S.- Barasat, Dist.- North 24 Parganas, Pin – 700 128 is engaged in dyeing & bleaching of hosiery fabrics with a production capacity of 62.50 MT/month.

**AND WHEREAS,** the industry had obtained Consent to Establish from the West Bengal Pollution Control Board (hereinafter referred to as the Board) on 31/07/2013, but did not apply for Consent to Operate. A letter was issued to the industry on 19/02/2014 for submitting Consent to Operate application to the Board, but the industry did not respond.

**AND WHEREAS,** the industry was inspected by the Board officials on 02/06/2015. During inspection the industry was not in operation, but it was learnt from the representative of the industry that the industry was in operation till 2nd week of April 2015.

**AND WHEREAS,** the industry has obtained Consent to Establish for coal/husk fired boiler of capacity 3 MT/hr., but has installed a wood fired boiler of capacity 3 MT/hr. which is attached to a bag filter and ID fan and a stack of height 16m from G.L. The industry has also installed additional machineries for which they have not obtained Consent to Establish from the Board. It was observed during inspection that construction of effluent treatment plant (ETP) was under progress.

**AND WHEREAS,** the industry was called for a hearing at the Head office of the Board on 21/07/2015 for the non-compliance of environmental norms as mentioned above.

**AND WHEREAS,** the Director of the industry appearing in the hearing agreed with the above mentioned observations of the Board. He submitted that they were operating the plant on trial run basis only. The industry representative was informed by the Members of the Technical Committee that even trial run of the unit without having valid “Consent-to-Operate” from the Board is statutorily illegal. The Director of the industry also submitted that the construction work of the effluent treatment plant is in progress and it is expected to be completed within three months. He mentioned that they would apply for Consent to Establish for additional machineries within ten days. He assured that they would not operate the plant till completion of ETP installation work and without obtaining Consent to Operate from the Board. The industry has submitted a stamp paper undertaking in this regard on 28/07/2015.

**NOW, THEREFORE,** considering the above, M/s. Sadguru Processors Pvt. Ltd. located at Vill.- Madanpur, Krishnapur, P.O.- Khamarpara, P.S.- Barasat, Dist.- North 24 Parganas, Pin – 700 128 is hereby directed not to operate the plant (even trial run) without obtaining Consent to Operate from the Board.

The industry will approach the Board for necessary permission for operation of the plant only after completion of construction work of the effluent treatment plant.
The Environmental Engineer, Barrackpore Regional Office of the Board will keep strict vigil on the industry. If any violation of the Board’s direction is again observed, the Board will be at liberty to issue order for closure with electricity disconnection without further notice.

This direction is issued in exercise of the powers conferred under the provision of Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.
