WHEREAS, M/s. Shee Sen Leather Pvt. Ltd. (hereinafter referred to as the industry) situated at Plot no. 629, 629A, Zone-8, Calcutta Leather Complex, Bhojerhat, Dist.- South 24 Parganas, Pin-743 502 is a tannery engaged in manufacturing of finished leather from raw hide.

AND WHEREAS, the industry was inspected by the officials of the WEST BENGAL POLLUTION CONTROL BOARD (hereinafter referred to as the Board on 13.07.2015. The industry has installed pre-treatment plant for its non-chrome bearing effluent and avails CCRU facility for treatment of chrome liquor. During inspection the pre-treatment plant was found in operation. The industry has 2 nos. bore wells for abstraction of ground water and has not taken central process water supply by CLCTA. The industry had installed a flow meter at the outlet of waste water discharge line but it is not functional now. Presently waste water is discharged through a separate outlet where no flow meter exists.

AND WHEREAS, during inspection effluent sample was collected from the outlet of sedimentation tank. Analysis report shows that the industry could not comply with effluent discharge norms in respect of TSS. Earlier the industry also failed to meet the effluent discharge standard during sampling on 04.07.2013. The results are tabulated below:

<table>

AND WHEREAS, the Consent to Operate of the industry was valid upto 30.09.2015 (fees submitted upto 30.04.2017).

AND WHEREAS, the industry was called for a hearing by the Board on 15/09/2015 for the non-compliance of environmental norms as observed during inspection by the Board officials.

AND WHEREAS, the General Manager of the industry appearing in the hearing agreed with the above mentioned observations of the Board. He submitted that they would take necessary corrective measures viz., cleaning of sedimentation tank at regular intervals, adding some coagulant in the pre-treatment plant for proper settling of suspended matters in order to improve the performance of the pre-treatment plant within two months so as to comply with the effluent discharge standard in future. He mentioned that water required for the tannery activity is abstracted using 2 nos. bore well as CLCTA is not able to supply adequate water at present. He also committed that they would install flow meter at the effluent outlet line shortly.
NOW THEREFORE, considering the nature of non-compliance as recorded above, M/s. Shee Sen Leather Pvt. Ltd. located at Plot no. 629,629A, Zone-8, Calcutta Leather Complex, Bhojerhat, Dist.- South 24 Parganas, Pin-743502 is hereby directed to comply with the following:

1. **That**, the industry shall take necessary measures for efficient functioning of the pre-treatment plant within 30th November, 2015 so that the discharged effluent meets the permissible standards in future.

2. **That**, the industry shall install water meter at its process water intake and outlet line within 30th November, 2015.

3. **That**, the industry shall execute a Bank Guarantee (proforma enclosed) of Rs. 2,00,000/- (Rupees two lakh) only valid for twelve (12) months within fifteen [15] days from the date of issuance of this direction in favour of the WEST BENGAL POLLUTION CONTROL BOARD as an assurance to comply with the above direction.

The Environmental Engineer, Salt Lake Regional Office of the Board is requested to keep strict vigil over the industry and if it is again found continuing to violate the environmental norms, the Board will be at liberty to take stricter regulatory action without any further notice.

This direction is issued in exercise of the powers conferred under the Water (Prevention & Control of Pollution) Act, 1974 and the Environment (Protection) Act, 1986 and Rules made thereunder, after being approved by the competent authority.

By Order,

_Sd/-_

Chief Engineer
