DIRECTION

WHEREAS, M/s Sree Krishna Enterprise (hereinafter referred to as the industry) located at Bhatinda, Vill.-Khamar, P.O.-Rajarhat, Bishnupur, P.S.: Rajarhat, 24 Parganas(N) -700135 is engaged for dyeing & bleaching of fabric using winch machine (09nos.), hydro extractor (02nos), drier (01no.), calendar machine (05nos.) and 02nos. oil fired boiler of capacity 600 kg/hr. each.

AND WHEREAS, a cluster of dyeing & bleaching industries are situated adjacent to one side of Katakhal canal (upstream of canal) which finally meets with river Bidyadhari (downstream of canal). The untreated and coloured waste water from these industries is directly discharge to the canal finally pollutes river Bidyadhari.

AND WHEREAS, the industry was inspected by the Salt Lake Regional Office of the State board on 04/03/2019. During inspection the unit was not in operation due to holiday of puja festival. It was observed that the unit was discharging untreated & coloured waste water to its outlet drain during inspection. It was also found that the ETP (Effluent Treatment Plant) was non-functional during inspection.

AND WHEREAS, the industry has valid ‘Consent to Operate’ of the State Board (up to 30/04/2022). As available in the office record the unit does not possess the Authorization for Hazardous waste.

AND WHEREAS, the industry was called for a hearing on 29.03.2019 for non-compliance of environmental norms as observed during inspection by the Board official.

AND WHEREAS, the partner of the industry appeared in the hearing and submitted that the existing effluent treatment plant will be made functional within one month. He also submitted that they have approached the Micro, Small & Medium Enterprises & Textiles (MSME&T), Govt. of West Bengal for installation of Common Effluent Treatment Plant (CETP) at Vill.-Khamar, P.O.-Rajarhat Bishnupur, P.S.: Rajarhat, Dist.-24 Parganas(N) to treat the process effluent generated from the dyeing & bleaching units situated at Khamar, North 24 Pgs.

NOW THEREFORE, considering the submission of the industry, M/s Sree Krishna Enterprise located at Bhatinda, Vill.-Khamar, P.O.-Rajarhat, Bishnupur, P.S.: Rajarhat, 24 Parganas(N) -700135 is hereby directed as follows:-

1. The existing effluent treatment plant of the industry shall be made functional within one month.
2. The industry shall always operate with proper functioning of its existing effluent treatment plant.
3. Under no circumstances, the industry shall discharge its untreated effluent outside the unit premises.
4. The industry shall obtain authorization for hazardous waste from the Board.

The industry shall submit a Bank Guarantee (proforma enclosed) of Rs. 2,00,000/- (Rupees two lakh) only, valid for twelve (12) months within fifteen [15] days from the date of issuance of this direction in favour of the WEST BENGAL POLLUTION CONTROL BOARD (Corporation Bank IFSC Code CORP 0000663) as an assurance to comply with the environmental norms in future.
