DIRECTIVE

WHEREAS, M/s Sri Sri Kaibalya Processing (hereinafter referred to as the industry) located at Vill.- Senarberia, P.O.- Kirtipur, P.S.- Madhyamgram, North 24 Parganas, Pin-700128 is engaged in dyeing & bleaching of hosiery fabrics with production capacity 1000 kg./day.

AND WHEREAS, the industry has obtained Consent to Establish from the West Bengal Pollution Control Board (hereinafter referred to as the Board) on 23/02/2015.

AND WHEREAS, the industry was inspected by the Board officials on 07/05/2015. During inspection it was observed that the industry had started operation without applying for Consent to Operate.

AND WHEREAS, the industry has installed a wood/coal fired boiler of capacity 500 kg/hr. which is connected to a stack of height 15m from G.L, 4 nos. winch machines, 2 nos. calendar machines and 1 no. drier. The boiler is not equipped with any air pollution control system. The industry has no effluent treatment plant facility and untreated effluent is directly discharged to a canal. The industry has no electricity connection, they have installed 2 nos. DG set of capacity 40 KVA each without any acoustic enclosure and they operated the unit using the DG sets.

AND WHEREAS, the industry was called for a hearing at the Head office of the Board on 18/06/2015 for the non-compliance of environmental norms as mentioned above.

AND WHEREAS, the proprietor of the industry appearing in the hearing agreed with the above mentioned observations of the Board. He submitted that they were operating the unit on trial run basis only. It was made clear by the Members of the Technical Committee that even trial run of the unit without having valid “Consent-to-Operate” from the Board is statutorily illegal. The proprietor of the industry also submitted that they would not operate the plant before installing pollution abatement systems and without obtaining Consent to Operate from the Board. The industry submitted a stamp paper undertaking in this regard on 01/07/2015.

NOW, THEREFORE, considering the above mentioned non-compliance of environmental norms, M/s Sri Sri Kaibalya Processing located at Vill.- Senarberia, P.O.- Kirtipur, P.S.- Madhyamgram, North 24 Parganas, Pin-700128 is hereby directed not to operate the plant (even trial run) without installing the air pollution control system for the boiler and effluent treatment plant and also without obtaining Consent to Operate from the Board.

The industry will approach the concerned Regional Office of the Board for necessary permission to operate the plant after installing the pollution control systems.
The Environmental Engineer, Barrackpore Regional Office of the Board is requested to oversee the compliance of this direction.

This direction is issued in exercise of the powers conferred under the provision of Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.
