WHEREAS M/s. Surama Processing (hereinafter referred to as the industry) located at Saibona, P.O. Malikapore, P.S.- Barasat, Kolkata – 700 126 is a dyeing and bleaching unit of hosiery fabrics.

AND WHEREAS, the industry was inspected by the official of the West Bengal Pollution Control Board (hereinafter referred to as the Board) on 24/05/2016. During inspection the industry was found in operation. The industry has winch machines for dyeing activity. The industry has installed a coal/wood fired baby boiler of 2 TPH and a coal/wood fired Thermic Fluid Heater of 6 lakh K.cal/hr without any air pollution control device (APCD).

AND WHEREAS, the industry has no effluent treatment plant (ETP) and the process effluent was being directly discharged outside the factory premises. During inspection waste water sample was collected from the final outlet of the industry and the analysis report shows non-compliance (COD- 680.08 mg/l & BOD-68.75 mg/l respectively).

AND WHEREAS, the industry does not possess Consent to Establish/Consent to Operate of the Board.

AND WHEREAS, the industry was called for a hearing at the Head office of the Board on 12/07/2016 for the above mentioned non-compliances as was observed during inspection.

AND WHEREAS, the partner of the industry appearing in the hearing agreed with the above mentioned observations of the Board. He submitted that they have applied online for Consent to Establish on 05/06/2016. He mentioned that civil work for effluent treatment plant is going on and it will be completed within two months. He also submitted that they would install bag filter for the coal fired boiler within this period.

NOW THEREFORE, considering the above, M/s. Surama Processing located at Saibona, P.O. Malikapore, P.S.- Barasat, Kolkata – 700 126 is hereby directed not to operate the plant till completion of installation of the pollution control systems and without obtaining Consent to Establish and Consent to Operate from the Board.

The Environmental Engineer, Barrackpore Regional Office of the Board will keep a strict vigil on the industry and in case of failure in complying with the Board’s direction, the Board will initiate strict regulatory action like closure with disconnection of electricity

This direction is issued in exercise of the powers conferred under the provision of Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act 1981, the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.

By Order,

Sd/-

Chief Engineer
