WHEREAS, the result of monitoring reveals noncompliance of particulate emission standard.

WHEREAS, a hearing was conducted involving the industry on 18-05-2007 at the Head Office of the Board.

WHEREAS, in the hearing the representative of the unit submitted that during the time of inspection the scrubber was not functioning properly resulting in high level of particulate emission. The industry also submitted they will improve the efficacy of the pollution control system and meet the emission standard within six months.

NOW THEREFORE, in exercise of the powers conferred Air (Prevention & Control of Pollution) Act, 1981 and Environment (Protection) Act, 1986 and Rules made thereunder, M/S. TERAI FOUNDRY WORKS (P) LTD. is hereby allowed to operate with following conditions:

1. That, the industry will improve the efficacy of the pollution abatement systems ensuring smoke less stack for compliance with the environmental standard in respect of particulate matter within six months time
2. That, the industry should submit a Bank Guarantee (proforma enclosed) of Rs. 1.00 Lakh (Rupees One Lakh only) valid of twelve (12) months within fifteen days from the date hereof favour of the WEST BENGAL POLLUTION CONTROL BOARD to ensure compliance of emission standard within the stipulated period.

In case of non-compliance of the above mentioned directions by the industry within the stipulated time, the Board may take regulatory action without any further reference.

This has the approval of the Competent Authority.
