
SUSPENSION OF CLOSURE ORDER

In due consideration of the appeal made by the industry for suspension of closure order through its letter dated 28th April, 2008 and in consideration of the fact that the industry has complied with the directions issued by the Board as revealed through report of inspection dated 4th July, 2008, the closure order issued by the Board against M/S. VIKING BATTERY INDUSTRIES, located at 10, Dr. Ambedkar Path, Upper Bhanu Nagar, 2nd Mile (Near Power House), P. O. – Sevoke Road, P. S. – Bhaktinagar, Dist. - Jalpaiguri vide Memo No.3203-WPB-SRO-JAL/V-1-2003 dated 25/26-02-2008 is hereby withdrawn with the following conditions:

1. That, the unit will always operate its pollution abatement systems including efficient functioning Effluent Treatment Plant to comply with the emission standard as well as liquid discharge standard.

2. In case of non-functioning of the pollution abatement systems for whatever reasons, the industry will take a voluntarily shut down of its manufacturing activity and the same should be intimated to the Board immediately.

3. That, the industry will have to obtain immediately “Consent-to-Operate” from the Board.

4. That, the industry will have to obtain immediately “Authorization” from the Board under the Hazardous Waste (Management & Handling) Amendment Rules, 2003.

5. That, the industry will sell the lead dross/ash only to the reprocessors who are having “Registration” from the Central Pollution Control Board.

6. That records for generation of daily hazardous waste by the industry will have to be maintained.

7. That, the industry will have to submit Annual Return as per the prescribed format to the Board.
