SUSPENSION OF CLOSURE ORDER WITH RESTORATION OF ELECTRICITY

In due consideration of the appeal submitted by the industry through its letter and undertaking on a non-judicial stamp paper dated 22/04/2010 for suspension of closure order and the report of inspection conducted by the officials of the WEST BENGAL POLLUTION CONTROL BOARD on 31/03/2010, the Board is pleased to hereby suspend the order for closure along with disconnection of electricity against M/s. RADIANT LEATHERS PVT. LTD. located at Plot No. 103, Zone–II, Calcutta Leather Complex, South 24 Parganas issued vide Memo No. 453-1902/WPB/2010 dated 22/03/2010, with the following conditions:

i) That the industry will operate only Dry System at present until completion of ETP.

ii) That the industry will not operate any Wet Process whatsoever without prior permission of the Board.

iii) That the industry will operate no machine at present other than Splitting machine as per its undertaking.

iv) That the industry will intimate the Board after completion of its ETP.

v) That the industry will always operate in compliance with environmental norms and comply with the aforesaid directions issued by the Board.

vi) That the industry will submit a Bank Guarantee (proforma enclosed) for Rs.1,00,000/- (Rupees One Lakh) only, valid for twelve [12] months within fifteen [15] days from the date of issue of this direction in favour of the WEST BENGAL POLLUTION CONTROL BOARD, as an assurance to comply with the above direction.

The electricity connection of the industry is ordered to be restored with immediate effect.

The Director (HR), WBSEDCL, is requested to take necessary steps for restoration of electricity connection of the above mentioned industry immediately.

The industry will be inspected by the Environmental Engineer, Salt Lake Regional Office after suspension of closure order and restoration of electricity to verify the compliance of the aforesaid directions. If the industry is still found to operate violating the environmental norms and the directions issued by the Board, the Board will be at liberty to take stricter regulatory action including immediate closure of the industry.

This direction is issued in exercise of the powers conferred under the Water (Prevention & Control of Pollution) Act, 1974 and the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.
