SUSPENSION OF CLOSURE ORDER WITH RESTORATION OF ELECTRICITY

In due consideration of the report of inspection by officials of the West Bengal Pollution Control Board (hereinafter referred to as the Board) dated 30/08/2010 which states that the industry has taken some positive steps towards compliance of the environmental norms and the directions issued by the Board, the Board is hereby pleased to suspend the order for closure with restoration of electricity against M/s. NORTH EAST ENGINEERING CO. (P) LTD. (hereinafter referred to as the industry) located at Suboljote, P.O.- Nemai, P.S.- Matigara, Dist.- Darjeeling, Pin – 734010, West Bengal issued vide Memo No. 1501-2S(HW)-751/2000-2001 dt.20.08.2010 with the following conditions:

1. That the industry shall ensure continuous and smooth functioning of all the air pollution control systems as well as the effluent treatment plant and also comply with the particulate emission standards and the effluent standards at all times.

2. That the industry shall take necessary steps to seal all bypass lines in order to ensure that the entire volume of process effluents generated from pickling and electroplating activities are routed into the ETP for treatment. Also all areas of the plant shall be made easily accessible to the Board officials at the earliest.

3. That the industry shall install proper air pollution control system or use cleaner fuel in the wood fired annealing furnace in order to reduce black smoke emission.

4. That the industry shall dispose off its hazardous wastes as per provisions of the Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2008 as amended.

The electricity connection of the industry is ordered to be restored with immediate effect.

The Director (HR), WBSEDCL, is requested to take necessary steps for restoration of electricity connection of the above mentioned industry immediately.

The Asst. Environmental Engineer & In-charge, Siliguri Regional Office of the Board is requested to keep the industry under continuous and strict surveillance in order to ensure compliance of all environmental norms. He is also directed to submit a point-wise report of the status of compliance of the industry in respect of all the above directions within one (01) month from hereof.

This direction is issued in exercise of the powers conferred under the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981 and the Environment (Protection) Act, 1986 and Rules made thereunder.

This order has the approval of the Competent Authority.

By Order,
