MEMO No.: 1823-181/ WPB/ SEE(KO)-GEN/2004

Date: 08/10/2010

SUSPENSION OF CLOSURE ORDER WITH RESTORATION OF ELECTRICITY

In due consideration of the appeals made by the industry through its letters dated 26/07/2010 and 24/08/2010 and the reports of inspection by the officials of West Bengal Pollution Control Board (hereinafter referred to as the Board) dated 23/09/2010 which state that the industry has undertaken rectification work in the emission control system for compliance of the environmental norms and directions issued by the Board, the Board is hereby pleased to suspend the order for closure with disconnection of electricity issued vide Memo No. 1179-181/ WPB/ SEE(KO)-GEN/2004 dt. 07/07/2010 against M/s. BRAVO SPONGE LTD. located at Vill.- Mahuda, P.O.- Rukni, P.S.- Para, Dist.- Purulia, West Bengal with the following conditions in order to judge the efficacy of the pollution control systems and to assess the steps taken by the industry towards compliance of environmental norms and statutes:

1) That the industry shall ensure continuous and smooth functioning of the pollution abatement system in all unit operations of the plant and comply with the particulate emission standard.

2) That the industry shall have to take necessary steps for regular compliance of the six point directives issued by the Board for minimization of fugitive emission.

3) That the industry shall dispose off dolochar in captive power plant as per agreement submitted.

4) That the industry shall arrange for proper shed for storage of raw materials.

5) That the industry shall improve its housekeeping

6) That the industry shall increase plantation and create an adequate green belt for controlling the spreading of dust to the surrounding areas.

The electricity connection of the industry is ordered to be restored with immediate effect.

The Director (HR), WBSEDCL, is requested to take necessary steps for restoration of electricity connection of the above mentioned industry immediately.

The Asst. Environmental Engineer & In-charge, Asansol Sub-Regional Office of the Board is requested conduct an inspection to judge the efficacy of the pollution control systems and to assess the steps taken by the industry towards compliance of environmental norms and statutes.

This direction is issued in exercise of the powers conferred under the Air (Prevention & Control of Pollution) Act, 1981 and the Environment (Protection) Act, 1986 and Rules made thereunder and has the approval of the Competent Authority.

By Order,

Sd/-
