WHEREAS, M/s. Bright Deforms Pvt. Ltd. (hereinafter referred to as the industry) is engaged in manufacturing of bright steel bars (300 MT per/month) and in pickling activity at Vill.- Ruiya, P.O.- Bandipur, P.S.- Khardah, Dist.- North 24 Parganas, Pin 700 119.

AND WHEREAS previously Consent to Operate was granted by the WEST BENGAL POLLUTION CONTROL BOARD (hereinafter referred to as the Board) to the industry for a period of six (06) months up to 30/04/2010 with a condition that further extension of validity period would be considered only after the industry commissions the ETP in all respects.

AND WHEREAS an inspection of the industry was conducted on 04/05/2010. The industry surrounded by other industrial units carries out surface treatment of procured MS round bars in dilute sulphuric acid bath followed by washing in plain water bath and finally in lime water bath. The MS rounds are then subject to drawing and polishing to get bright rod. The waste water generated from the baths is discharged to a soak pit within the premises through a removable plastic pipe. There is no treatment facility for the discharged effluent. Only lime dozing is carried out in the soak pit from time to time. The overflow from the septic tank is also connected to the said soak pit.

AND WHEREAS it was observed that one more drawing machine was under installation without obtaining Consent to Establish from the Board apart from the existing two (02) nos. drawing machines.

AND WHEREAS the industry was directed to take immediate action in order to rectify their discrepancies observed during inspection.

AND WHEREAS the industry was called for a technical hearing on 09/09/2010 at the head office of the Board due to the gross violations of environmental norms and statutes as recorded above.

AND WHEREAS, the Director of the industry appearing in the hearing submitted that they are in the process of installation of ETP and requested for a time period of three (03) months for compliance with the environmental norms.

NOW, THEREFORE, considering the violations recorded above and the submission made by the Director of the industry, M/s. Bright Deforms Pvt. Ltd. is hereby directed as follows:

1. That the industry shall ensure complete compliance with the environmental norms and also the directions issued by the Board within a time period of two (2) months from hereof.

The industry will be inspected by the Environmental Engineer, Barrackpore Regional Office after two (2) months from issuance of this direction to verify the status of its compliance with the environmental norms and also the directions issued by the Board. If the industry is again found to be non-compliant even after expiry of the time period of two (02) months from hereof, the Board will be at liberty to take stricter regulatory action including closure with disconnection of electricity of the industry.

This direction is issued in exercise of the powers conferred under provisions of the Water (Prevention & Control of Pollution) Act, 1974 and the Environment (Protection) Act, 1986 and Rules made thereunder especially provisions of the Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2008 as amended, after being approved by the competent authority.

By Order,
