SUSPENSION OF CLOSURE ORDER WITH RESTORATION OF ELECTRICITY

In due consideration of the appeals made by the industry through its letters dated 09/11/2010 and 15/11/2010 and the reports of inspection by the officials of West Bengal Pollution Control Board (hereinafter referred to as the Board) conducted on 12/11/2010 which states that the industry has undertaken rectification work in the emission control system for compliance of the environmental norms and directions issued by the Board, the Board is hereby pleased to suspend the order for closure with disconnection of electricity issued vide Memo No.1964-563/WPB/SEE(KO)-GEN/2007 dt. 28/10/2010 against M/s. Venky Hi-Tech Ispat Ltd. located at Village Bamunara, PO Gopalpur, PS Kanksa, Durgapur 713212, West Bengal with the following condition in order to judge the efficacy of the pollution control systems and to assess the steps taken by the industry towards compliance of environmental norms and statutes:

That the industry shall ensure continuous and smooth functioning of the pollution abatement system in all unit operations of the plant and comply with the particulate emission standard.

The electricity connection of the industry is ordered to be restored with immediate effect.

The Secretary, Damodar Valley Corporation is requested to take necessary steps for restoration of electricity connection of the above mentioned industry immediately.

The Environmental Engineer, Durgapur Regional Office of the Board is requested conduct an inspection to judge the efficacy of the pollution control systems and to assess the steps taken by the industry towards compliance of environmental norms and statutes so that a decision on further continuance of operation of the industry can be taken by the Board.

This direction is issued in exercise of the powers conferred under the Air (Prevention & Control of Pollution) Act, 1981 and the Environment (Protection) Act, 1986 and Rules made thereunder and has the approval of the Competent Authority.

By Order,
