Memo No. 2044-2A/ZII/O/140/96-97
Date: 16/10/2012

SUSPENSION OF CLOSURE ORDER

In due consideration of the appeal submitted by the industry through its letter dated 03/10/2012 for suspension of closure order and the report of inspection conducted by the officials of the WEST BENGAL POLLUTION CONTROL BOARD on 11/10/2012 and in continuation with the Order for Restoration of Electricity issued by the Board vide Memo No. 929-2A/ZII/O/140/96-97 dated 23/05/2012, the Board is hereby pleased to suspend the order for closure against M/s. Sudsons Private Ltd. located at 29, Jessore Road, Dum Dum, Kol-28 for six months from hereof to comply with the following conditions within this period:

i) That, the industry shall increase the stack height to 15m from ground level and install the sampling porthole, platform and ladder as per the Emission Regulation Part-III of CPCB.

ii) That, the industry shall install water recirculating system for the scrubber.

iii) That, the industry shall take necessary measures to reduce the fugitive emission.

iv) That, the industry shall not operate the furnaces which are not attached with air pollution control device and stacks.

v) That, the industry shall not operate the presses which are not provided with noise control measures.

The Environmental Engineer, Salt lake Regional Office of the Board shall inspect the industry to verify the compliance status of the industry. If the industry is still found to operate violating the environmental norms and the directions issued by the Board, the Board will be at liberty to take further regulatory action against the industry.

This direction is issued in exercise of the powers conferred under the Air (Prevention & Control of Pollution) Act, 1981 and the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the competent authority.

By Order,
