WHEREAS, M/s. Rajshri Iron Industries Pvt. Ltd. (hereinafter referred to as the industry) located at Jamuria Industrial Estate, Vill.- Jamuria, P.O.- Nandi, P.S.- Jamuria, Dist.- Burdwan, Pin - 713 344 is a sponge iron industry having 2X100 TPD Rotary Kilns. Both the kilns are provided with common ESP as air pollution control device (APCD) connected to a common stack of height 38m from G.L.

AND WHEREAS, inspection of the industry was carried out by the officials of West Bengal Pollution Control Board (hereinafter referred to as the Board) on 22/08/2012. During inspection both the kilns were found in operation. ESP dust and raw material were found to be stored at open place inside the unit premises. Water sprinkler and mobile water tanker were not found at the unit during inspection. Plantation was found to be inadequate and internal road condition was poor.

AND WHEREAS, the Board issued Consent to Operate to the unit for its 2\textsuperscript{nd} Rotary Kiln on 03/12/2010 with the condition that the industry should install 4.0 MW WHRB based Captive Power Plant (CPP) within May 2011. But the industry has not yet submitted any proposal for installation of CPP till date.

AND WHEREAS, the ‘Consent to Operate’ of the industry is valid up to 28/02/2013. The industry did not obtain the Hazardous Waste Authorisation till date.

AND WHEREAS, the industry was called for a hearing at the head office of the Board on 10/10/2012 for the above mentioned non-compliance.

AND WHEREAS, the representatives of the industry appearing in the hearing agreed with the above mentioned observations of the Board. They submitted that on the day of inspection black smoke emission occurred due to power failure. They have installed six water sprinklers and more water sprinklers will be deployed shortly. Regarding installation of the captive power plant, they informed that they have planned to install 18 MW CPP in place of 4 MW CPP for which they have already applied for Environmental Clearance to Ministry of Environment & Forests, Govt. of India.

NOW, THEREFORE, considering the non-compliance as mentioned above, the Board is hereby pleased to direct M/s. Rajshri Iron Industries Pvt. Ltd. located at Jamuria Industrial Estate, Vill.- Jamuria, P.O.- Nandi, P.S.- Jamuria, Dist.- Burdwan, Pin - 713 344 as follows:

1. That, the industry shall take necessary steps to comply with environmental norms with efficient functioning of air pollution control devices attached to all units operations.

2. That, the industry shall take necessary steps to comply with the direction issued by the Board vide no. 1044-4/WPB/CE-II/Gen/2008 dated 01/06/2012.

3. That, the industry shall obtain Hazardous Waste Authorisation from the Board.
The Asst. Environmental Engineer & In-charge, Asansol Sub-Regional Office of the State Board is requested to keep vigil over the industry and if the industry is found to violate the direction of the Board stricter regulatory order including closure with disconnection of electricity will be issued.

This direction is issued in exercise of the powers conferred under provisions of the Air (Prevention & Control of Pollution) Act, 1981 and the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.

By Order,

Sd/-
Chief Engineer
