WHEREAS, M/s. United Industries & Wire Co. (hereinafter referred to as the industry) located at 237/1C, Satin Sen Sarani, Kolkata – 700 054 is presently engaged in manufacturing of steel almirah with spray painting.

AND WHEREAS, the industry had obtained ‘Consent to Operate’ for manufacturing of M.S. Rod using oil-fired reheating furnace which was valid up to 31/12/2012. The industry submitted a letter on 04/10/2012 stating that their industry had been closed since April 2012.

AND WHEREAS, during inspection on 08/01/2013 by the official of West Bengal Pollution Control Board (hereinafter referred to as the Board), it was observed that the industry had stopped the rolling mill activity and had started manufacturing of steel almirah with spray painting at the same premises without obtaining permission.

AND WHEREAS, it is to be mentioned here that as per the latest siting policy of the Board, no new steel almirah manufacturing unit can be permitted within KMC area.

AND WHEREAS, the industry was called for a hearing at the head office of the Board on 19/02/2013 for the above mentioned non-compliance

AND WHEREAS, nobody appeared on behalf of the industry in the hearing.

NOW, THEREFORE, considering the non-compliance as mentioned above, M/s. United Industries & Wire Co. located at 237/1C, Satin Sen Sarani, Kolkata – 700 054 is hereby directed by the Board to stop the steel almirah manufacturing activity in the industry premises immediately.

The Environmental Engineer, Salt Lake Regional Office of the State Board is requested to keep vigil over the industry and if the industry is found to violate the direction of the Board stricter regulatory order including closure with disconnection of electricity will be issued.

This direction is issued in exercise of the powers conferred under provisions of the Air (Prevention & Control of Pollution) Act, 1981 and the Environment (Protection) Act, 1986 and Rules made thereunder after being approved by the Competent Authority.

By Order,

Sd/-
Chief Engineer
