SUSPENSION OF CLOSURE ORDER WITH RESTORATION OF ELECTRICITY

In due consideration of the appeal submitted by the industry through its letter dated 06.02.2015 for suspension of closure order, and the report of inspection conducted on 09.02.2015 by official of the WEST BENGAL POLLUTION CONTROL BOARD (hereinafter referred to as the Board), the Board is pleased to hereby suspend the order for closure along with disconnection of electricity issued against M/s. Shyam Sel & Power Ltd. [hereinafter referred to as the industry] located at Vill.-Dhasna, P.O.-Bahadurpur, P.S.- Jamuria, Dist.- Burdwan, Pin–713362 vide Memo No. 797/ WPBA/Red(Bwn)/Cont(669)/10 dated 03.02.2015 with the following conditions:

1. **That**, the industry shall always operate its pollution abatement systems during its manufacturing operation to meet the environmental norms for all unit operations in the plant.

2. **That**, the industry shall shut down its manufacturing activity whenever the pollution abatement system fails to function due to whatever reason and the same should be intimated to the Board.

3. **That**, the industry shall undertake thorough overhauling and necessary upgradation of the emission control system attached to the SEAFs within one month by taking shut down of the SEAFs to comply with the emission standard.

4. **That**, the industry shall take necessary steps to increase/augment the capacity of ESPs attached to the AFBC boiler and the rotary kilns to comply with the emission standard within one month.

5. **That**, the industry shall commission pneumatic dust collecting system with the bag houses within one month.

6. **That**, under any circumstances, the industry shall not store any dust, coal char, coal fines etc. in open space. The raw material and fines shall be stored within covered and dedicated storage area in proper manner so as to avoid fugitive emission.

7. **That**, the industry shall make arrangement for continuous water sprinkling for dust suppression within the factory premises and also install adequate mounted water sprinklers near boundary wall towards Dhasna village.

8. **That**, the industry shall complete construction work for paving all internal roads by 30th April, 2015.

9. **That**, the industry shall raise height of the boundary wall adjacent to Dhasna village to prevent spreading of dust.

10. **That**, the industry shall undertake an extensive plantation programme to form green belt all along the periphery of the factory premises.
11. **That**, the industry shall always depute a responsible person during night hours at the plant.

12. **That**, the industry shall comply with all the directives issued by the Board vide Memo No. 1044-4A/WPB/CE-II/GEN/2008 dated 01/06/2012.

**The electricity connection of the industry is ordered to be restored with immediate effect.**

The Senior Additional Chief Engineer, DPSC Ltd. is requested to take necessary steps for restoration of electricity connection of the above mentioned industry immediately.

The Environmental Engineer, Asansol Regional Office of the Board is requested to keep a strict vigil on the industry. If the industry is again found to operate violating the environmental norms and the directions issued by the Board, the Board will be at liberty to take stricter regulatory action against the industry.

This direction is issued in exercise of the powers conferred under the Air (Prevention & Control of Pollution) Act, 1981 and the Environment (Protection) Act, 1986 and Rules made thereunder.

This has approval of the Competent Authority.

By Order,

*Sd/-*
Chief Engineer
Operation & Execution Cell
West Bengal Pollution Control Board
