WHEREAS, M/s. Alom Extrusions Ltd. [hereinafter referred to as the industry] is engaged in manufacturing of aluminium extruded products (sections/profiles) – production capacity is 500 MT/month using aluminium ingot as main raw material at 184, J.N. Mukherjee Road, Bandhaghat, P.S. Malipanchghora, Dist.- Howrah, Pin-711 106. The industry has two (2) nos. furnace oil fired Melting Furnaces each of 6 MT per batch capacity, two (2) nos. electric heaters, three (3) nos. aluminium extrusion press, three (3) nos. F.O. fired billet heating furnace, three (3) nos. billet casting machines, two (2) nos. ageing furnace each of 5 MT per charge capacity and also drilling, grinding, lathe, milling, shearing machines. The two melting furnaces are connected to separate stacks of height 24m from G.L. and the three billet heating furnaces are also provided with separate stacks but the stacks do not have sampling arrangement.

AND WHEREAS, the WEST BENGAL POLLUTION CONTROL BOARD (hereinafter referred to as the Board) received mass public complaint against the industry alleging severe air pollution caused due to activity of the industry.

AND WHEREAS, the industry was inspected by the Board officials on 22/01/2015. It revealed from the inspection report that the industry is a continuous plant and operates 24 hours a day.

AND WHEREAS, earlier a hearing was arranged on 30/08/2013 by the Public Grievance Cell of the Board in connection with mass public complaints against the industry for causing air pollution in the surrounding locality.

AND WHEREAS, last Consent to Operate of the industry was valid upto 31.01.2015 (fees cleared upto 31.01.2018).

AND WHEREAS, a hearing was conducted at the Head Office of the Board on 20/02/2014 to resolve the matter.

AND WHEREAS, the Managing Director of the industry appearing in the hearing submitted that they are also aware about the public complaint and have adopted some measures to address the problem. But considering the location of the industry, they have decided to relocate the activity from its present location to their other plot at Banganagar, Falta, D.H. Road, Dist.-24 Parganas(South) within 8(eight) months.

NOW, THEREFORE, considering the public complaint against the industry and submission made by the industry during the hearing, M/s. Alom Extrusions Ltd. located at 184, J.N. Mukherjee Road, Bandhaghat, P.S. Malipanchghora, Dist.- Howrah, Pin–711 106 is hereby directed by the Board to shift the activity of the plant from its present location to the plot at Banganagar, Falta, D.H. Road, Dist. 24 Parganas(South) within 31st August, 2015 and operate the plant at the existing premises till August 2015 maintaining the environmental norms.
The Environmental Engineer, Howrah Regional Office of the State Board is requested to keep vigil on the industry and verify the status of compliance of this order.

This order is issued in exercise of the powers conferred under the provision of Air (Prevention and Control of Pollution) Act, 1981, and the Environment (Protection) Act, 1986 and Rules made there under after being approved by the Competent Authority.

By Order,

Sd/-
Chief Engineer
Operation and Execution Cell
West Bengal Pollution Control Board
