Sir,

1. I/We hereby apply in one application form for Consent to Operate (Fresh/Renewal) (i) under sub-section (2) of Section 25 and Section 26 of Water (Prevention and Control of Pollution) Act, 1974 to make discharge from land/premises and (ii) under sub-section (2) of Section 21 of the Air (Prevention and Control of Pollution) Act, 1981 to make emission from health care unit owned by …………………..…………………..………………….. for a period upto …………………………………………………..

2. The Annexure, Appendices, other particulars and plans are attached.

3. I/We further declare that the information furnished in the application form and Annexure/Appendices and plans is correct to the best of my /our knowledge.

4. I/We hereby submit that in case of change of either a point or the quantity of discharge or the quantity of emission, a fresh application for consent shall be made and until such consent is granted, no change shall be made.

5. I/We hereby agree to submit to the Board, application for renewal of consent two months in advance of the date of expiry of the consented period, if to be continued thereafter.

6. I/We undertake to furnish any other information within seven days of its being called for by the State Board.

7. I/We enclose herewith UBI Challan of Rs………………..(Rupees………………………………….) deposited at .................................................... Branch dated ………………………………. in favour of West Bengal Pollution Control Board being the ‘Consent to Operate application fee’.

Date (Signature………………………….)

Seal………………………………

Application on behalf of ..................................................................................................................
Address of applicant .....................................................................................................................

PART - A : GENERAL INFORMATION

01. Name and Address of the Health Care Establishment (in Capital Letters) : .................................................................

Post Office with Pin Code : ..............................................................................................................

Police Station : ..............................................................................................................................

Municipal Corporation/Municipality with Ward No./Panchayet Telephone Nos. : ...........................................................

Fax No. : ...........................................................................................................................................

Power Supplying Agency at working premises : ..................................................................................

E-mail Address : ..................................................................................................................................

Web Site Address : ...........................................................................................................................

02. Name of the Applicant (with designation) on behalf of the Establishment : .................................................................

03. Month and year of commissioning : .............................................................................................

04. Details regarding the permission obtained from Dept. of Health, Government of West Bengal / CMOH : .................................................................

(Photocopy of the Certificate certified by the applicant as “True Copy” is to be enclosed) .................................................................................................................................

05. Details regarding the permission obtained from Municipal Corporation/Municipality/Panchayet in the form of Trade License, Trade Fee, etc. : .................................................................

(Photocopy of the Certificate certified by the applicant as “True Copy” is to be enclosed) .................................................................................................................................

06. Is it a non-profit making charitable organisation ? Yes / No

If, ‘Yes’, please provide appropriate documents .................................................................................

(name of the document attached)
07. Type of Health Care Establishment [Put ✓ mark in one box only as applicable]

- Government Hospital (with/without pathological testing facility) : Bed Capacity .................................
- Government Medical College & Hospital (with/without pathological testing facility) : Bed Capacity .................................
- Private Hospital (including Hospital cum Research Centre) (with/without pathological testing facility) : Bed Capacity .................................
- Private Nursing Home (with/without pathological testing facility) : Bed Capacity .................................
- Private Pathological Laboratory : No. of patients attended per year .........................
  [Last 3 years average]
- Government/Private Clinic/Poly Clinic : No. of patients attended per year .........................
  [Last 3 years average]
- Blood Bank : Service provided to number of patients per year .................................
  [Last 3 years average]
- Veterinary Hospital : Service provided per year .................................
  [Last 3 years average]
- Others (Please specify) : .................................................................
  .................................................................

PART-B : INFORMATION REQUIRED IN CONNECTION WITH PREVENTION AND CONTROL OF WATER POLLUTION

08. Water consumption

(A) Sources of Water Supply
Municipal Supply/Tubewell/Well/Others (Please Specify) : .................................................................

(B) Quantity of proposed water consumed per day : ................................................................. Litres/day

09. Generation of liquid waste

(A) Quantity of water discharged per day : ................................................................. Litres/day

(B) Place of disposal of liquid waste : .................................................................

(C) Treatment facility of liquid waste
If yes, please give details of the same

☐ Yes  ☐ No
PART - C : INFORMATION REQUIRED IN CONNECTION WITH PREVENTION AND CONTROL OF AIR POLLUTION

10. Generation of gaseous waste

<table>
