ORDER

The Central Pollution Control Board (CPCB) has issued directions vide Memo No. CP-18/1/2023-IPC-VI-HO-CPCB-HO dated 12/02/2025 and CP-18/1/2023-IPC-VI-HO-CPCB-HO/855 dated 25/03/2025 under Section 18(1)(b) of Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1981, regarding harmonization of classification of industrial sectors under Red, Orange, Green, White and Blue Categories. The modified directions of CPCB have been adopted by the West Bengal Pollution Control Board (WBPCB).

It has been observed that certain industrial activities are not included in the revised category list prepared by CPCB. Such left-out activities were reviewed by a committee comprising senior officers of WBPCB as per the methodology adopted by CPCB for categorization of industries and reclassified such activities.

Now in supersession of all previous orders regarding the categorization of industries and siting (locational) policy of industries in the state of West Bengal, the State Board, in exercise of the powers conferred under the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1981, is hereby ordered that revised Categorization (Red, Orange, Green, White and Blue) of industries as provided in Annexure-A and revised Siting (Locational) Policy of industries given in Annexure-B, shall be followed in the State of West Bengal.

This order will take immediate effect.
