Memo No. 1682/1M-3/2016

Dated: June 30th, 2016

CIRCULAR

It is hereby informed to all concerned that in view of implementation of the 'Ease of Doing Business' for providing efficient, convenient, transparent and integrated electronic services to the applicant, the West Bengal Pollution Control Board (WBPCB) has rearranged the fees collection system.

As per the revised system, all kinds of application fees payable to the Board shall be deposited by the industries / establishments, after submitting online application and getting system generated challan from the Environmental Management Information System (EMIS) [<http://emis.wbpcb.gov.in>] of the WBPCB. Payment can be made through online payment system i.e. i) through Net Banking; ii) through debit card / credit card in addition to the existing offline payment system i.e. over the counter payment at any branch of United Bank of India in West Bengal through system generated challan only.

In both online and offline payment systems, the present transaction charges required to be paid by the industries / establishments along with payment of all kind of fees is given below :-

Sl.	Mode of Payment	Transaction Charges
1.	Payment through Debit Card	i) 0.75% of Transaction Value plus Service Tax Per Transaction below Rs.2000/-. ii) 1.00% of Transaction Value plus Service Tax Per transaction above Rs.2000/-.
2.	Payment through Credit Card	1.00% of Transaction Value plus Service Tax Per transaction.
3.	Payment through Net Banking	Rs.10/- Per Transaction.
4.	Over the counter payment (Offline)	Rs.40/- Per Transaction.

These transaction charges are liable to change subject to modifications by the competent authority.

In addition to the existing offline system, the new online payment system i.e. payment through Net Banking facility, will be implemented **w.e.f. 30th June, 2016** for Consent to Establish, Consent to Operate and Hazardous Waste Authorization Applications only. Payment facility through Debit card /Credit card will be introduced shortly. Further, online payment of other fees like sample collection and analysis charges etc. will be implemented subsequently and informed accordingly.
